

# Customers Agree: ClearanceJobs.com Delivers Quality Cleared Candidates

SPECIALIZING IN TECH • ENGINEERING • SECURITY CLEARANCE

Finding security-cleared job seekers does not need to be a challenge. With our unique resume search engine, personalized customer service, and sole focus on cleared candidates, defense industry recruiters agree: ClearanceJobs.com delivers quality job seekers with active or current clearances.

ClearanceJobs.com has both the largest and fastest growing database of cleared job seekers available – anywhere. Read the comments below and learn how we can help you.

I believe I have hired nine, possibly ten, personnel in the past few months using ClearanceJobs.com. The jobs I post normally get a lot of hits. Thanks again for all you do. Your customer service is superb and I really appreciate that in a company. You sure make my life a little easier!

– **JB&A, Inc. - Falls Church, VA**

We are getting great results using ClearanceJobs.com. This site is the best!

– **Academy Associates - Bridgewater, CT**

Everything is going well using your service. We hired an IT Manager off of ClearanceJobs.com yesterday. I love it, I love it!

– **Kalman & Company, Inc. - Virginia Beach, VA**

Considering all other online job boards, ClearanceJobs.com has the most detailed and well-organized search criteria for recruiters looking for cleared candidates.

– **Assured Decisions, LLC - Columbia, MD**

ClearanceJobs.com is very user-friendly. We are finding the candidates we need for our open contracts. Using your service, we have a faster turnaround time when submitting resumes.

– **Caldwell Technology Solutions - Bowie, MD**

I find ClearanceJobs.com a snap to use and very effective. Keyword searching and the ability to locate qualified candidates in specific geographical areas is easy. Thanks for providing such a great site.

– **Tamsco - Long Beach, NJ**

I recently had another job board give me access to compare their site to yours. I found that ClearanceJobs.com is far superior to theirs. It wasn't as user-friendly and easy to maneuver in as ClearanceJobs.com is.

– **Sensa Solutions, Inc. - Oak Hill, VA**

We have already hired one candidate from our ClearanceJobs.com searches! This is a very good service.

– **Applied Analysis, Inc. - Billerica, MA**

Let ClearanceJobs.com make it easy for you to find and hire your ideal security-cleared candidates.
